Expectations, and What to Bring

Expectations

Our expectations for every youth on the trip is to show good Christian values while representing Christ and the congregation here at Ankeny First United Methodist. This includes making the right decisions and being respectful to **everyone** at all times. Cell phones are allowed, but discouraged. We aren't not responsible for any damage that might occur to phones or other electronic devices on the trip. If a youth does bring a phone it will remain in their room/area during all work and group social time, and will be confiscated for the day if seen during these times. If a youth does not try their best to meet these few requirements, proper disciplinary actions will take place. If too many violations do take place or if there is an extreme problem, the child will be sent home at the parents' expense.

Jesus replied "Love the Lord your God with all your heart and with all your soul and with all your mind. This is the first and the greatest commandment. And` the second is like it: Love your neighbor as yourself."
Matthew 22:37-40

Do Not Bring

Inappropriate clothing (shorts must be finger tip length or longer, no low cut shirts, low hanging pants, etc)

Money: Money will be needed to cover lunch on our two travel days. We will be stopping at a basic fast food restaurant where 10-15$ should easily cover the meal. During our outing Wednesday dinner and activities are covered, but there are additional activities available that are not covered that the youth can pay for if they wish.

Medications: All meds must be turned in, including OTC meds, in a Ziplock bag with your child's name on the outside. These will be collected on Saturday during luggage drop off. Please include a sheet of what meds are included and what is the med schedule. The adult leader of the group the youth are in will be in charge of these meds. If a youth requires a fast action medication, such as an inhaler or EpiPen, it may remain on their person at parental request.
